Education

89 – 94 MSc. in theoretical physics (cum laude, Utrecht University, Aug 1994)
83 – 89 VWO Rythovius College, Eersel, the Netherlands

Doctorates

Mar 04 Free University Amsterdam, FEW (A. van der Vaart, 2000–2003) (see [TH2])
May 98 Utrecht University, ITF (B. de Wit, 1994–1998) (see [TH1])

Employment

06 – Assistant Professor, KdV Institute for Mathematics, FNWI, University of Amsterdam (full-time, tenure, initially with NWO VENI grant)
05 – 06 Assistant Professor, FEW, Free University Amsterdam (full-time, fixed-term)
04 – 05 Visiting Professor, Statistics Department, UC Berkeley (full-time, fixed-term)
03 – 04 Postdoc Mathematical Statistics, Statistics Department, UC Berkeley (full-time, fixed-term, with NWO TALENT grant)
00 – 03 Postdoc Mathematical Statistics, FEW, Free University Amsterdam (full-time, fixed-term)
99 – 00 Postdoc Image-processing for Senter, Image Sciences Institute, Utrecht University (full-time, fixed-term)
94 – 98 PhD student at the Institute for Theoretical Physics, Utrecht University (full-time, fixed-term)

International experience

21 – 22 Visiting Research Fellow, Bocconi University, Milano, Italy
Aug-Dec 21 Visiting Professor, Collegio Carlo Alberto's *De Castro Initiative*, University of Torino, Italy
Nov 18 Visiting Professor, Bocconi University, Milano, Italy
Jun 18 Visiting Research Fellow, Statistics Department, Seoul National University, Seoul, South Korea
Jul 15 Co-organiser of congress *30th European Meeting of Statisticians, EMS 2015*, Leiden
Jun 13 Co-organiser of Lorentz workshop *Bayesian Non-Parametrics 2013* in Leiden
Jun 13 Co-organiser of conference *Bayesian Non-Parametrics 9, BNP9*, in Amsterdam/Leiden
Jan 11 Visiting professor at Anton de Kom University, Paramaribo, Suriname
Nov 10 Co-organiser of workshop *Fourth Young European Statisticians, YES IV*, at EURANDOM, Eindhoven
Mar-Dec 08 Visiting Research Fellow, Newton Institute research programme *Statistical theory and methods for complex high-dimensional data*, in Cambridge, United Kingdom
04 – 05 Visiting professor at the Statistics Department of U.C. Berkeley

03 – 04 Postdoc at the Statistics Department of U.C. Berkeley with P. Bickel

Students

- 24 – G. Meyl, on project *Random histogram limits and random distributions*
- 17 – 21 M. Derksen, on project *Asset price formation and MF/HF trading*
- 13 – 14 Y. Y. Zhao, visiting (Carlos III, Madrid) for project *Alternatives for GGV-priors*
- 12 – 16 S. van der Pas, on project *Marginal posterior limits*
- 11 – 15 M. Chae, on project *Semiparametric BvM for mixture models*
- 08 – 12 B. Knapik, on project *Irregular semiparametric posterior limits*

Grants

- Jul 24 Stimuleringsbeurs FNWI, *Random histogram limits and random distributions*, four-year PhD project
- Apr 16 DBC PhD-grant, *Asset price formation and MF/HF trading*, E200k
- Jun 13 Lorentz workshop *Bayesian Non-Parametrics*, with A. van der Vaart, J. van Zanten
- Jun 13 STAR Activity Month, *Bayesian Non-Parametrics 9*, E30k, with A. van der Vaart, J. van Zanten
- Jun 12 STAR PhD-grant, *Marginal posterior limits*, E100k + matching, with A. van der Vaart
- Jun 05 NSF AST grant, *New statistical methods for detecting periodicity in sparse astronomical data*, US\$500k, with J. Rice, P. Bickel (UC Berkeley) and T. Laredo (Cornell)
- Mar 05 NWO VENI grant, E100k + matching, four-year research at UvA, 2005–2009
- May 03 NWO TALENT grant, for postdoc at UC Berkeley, 2003–2005

Editorial experience

- 21 – Editor-in-chief for *J. Statist. Plan. Infer.*
- 13 – 14 Guest editor *J. Statist. Plan. Infer.*, special issue *BNP9 conference proceedings* (with S. Ghosal and J. van Zanten)
- 12 – 21 Associate editor for *J. Statist. Plan. Infer.*

Educational experience

- 25 – Lid examencommissie wiskunde, KdVI/FNWI
- 21 – Honourscoördinator wiskunde opleiding, KdVI/FNWI
- May 16 Lecturer in the *24th Hilversum meeting of students in stochastics*
- Oct 13 BKO certification, Dutch Basic Educational Qualification
- 96 – 98 Educational committee, Dutch National Research School for Theoretical Physics

Other experience

- Nov 20 Italian habilitation, (*Abilitazione Scientifica Nazionale (ASN) 2018/ 2020*)
- Feb 16 Chairman of committee *Kwaliteit en rendement*, one of three committees in UvA's *FNWI 10-Point Plan*
- Jul 10 Consultancy ICT UvA, project *Database Error Rates* (with R. Knijn, C. Klaassen)
- 07 – 11 Board member of the Netherlands Society for Statistics and Operations Research (VVS-OR)
- 07 – 11 Chair of section Mathematical Statistics of the VVS-OR
- 06 – 24 BedrijfsHulpVerlening (BHV) KdVI, UvA
